## Aluminium Parts

We can supply, from our workshop: Body panels, fuel tanks, door sills, splash plates, flush fitting front valances (as on racing cars), all in aluminium

We only show right or left hand part numbers for parts but we do supply both sides.

Please call for prices of all other parts for your MGA. We have stores full of metalwork & Accessories plus secondhand parts for the MGA. Whatever you want, we can supply from stock or can obtain from our contacts. We are able to make almost all the panels ourselves and are regularly helping customers with tips for re - building their cars and manufacturing, and welding parts for them.
